Personal Profile of Mr. Vinayak Baburao Kale.

Mr. Vinayak Baburao Kale was born in a small village named Kalewadi in Khatav Taluka in a farmer's family. His family was very poor and hence he could not study beyond 8th std. Therefore, he alongwith his uncle came to Mumbai in search of a job. Initially he worked in Docks for a daily wages of Rs.3/- Later on he worked as a cleaner with a truck driver. Even though he got a job in Police Dept. soon after, his friends working in the docks urged him to come back. After gaining sufficient experience he moved on to Food Corporation of India (A Government of India Undertaking). Concerned officials in FCI liked his hard work and consequently he was given subcontract work of FCI. His skill was being appreciated and he was noticed by others. Before long he was offered a job in a ship repair company named Orient Engineering Works. Soon his hard work, sincerity and skill brought him into more and more prominence and after a few years the Owner of Orient Engineering Works made him a Partner in his company.

In 1986 Mr. Kale established his own ship repair company named S.S.K. Engineering Works, and thereafter, he never looked back.

Today his company has more than 200 permanent workers in the payroll. Now his establishment has grown into a leading ship repair Co. in the West Coast of India with all the best infrastructure facility required for a modern ship repair unit.

He has already established a Unit in Colombo for undertaking sub-contract jobs of Colombo Dockyard Ltd. Another unit is in the process of being set up at Vizag.

He is also involved in various social and philanthropic activities. He has lent helping hand to poor school going children, schools and also in construction of temples in his and neighboring villages namely Pussegaon, Diskal, Narayanpur etc.
